Self-Funded **Benefit Plans**

Not all TPAs are created equal. At WebTPA, we provide peace of mind and first-rate guidance through the often intimidating and confusing world of modern healthcare delivery. We go beyond the "cookie cutter" approach to provide each client with custom solutions tailored to meet their specific needs.

The WebTPA Way:

When it comes to health plans, one size doesn't fit all.

Self-Funded **Benefit Plans**

Some TPAs just pay your bills.

WebTPA takes benefit administration to the next level, focusing on true **health plan management**.

The WebTPA Advantage

- Unwavering focus on improving member health and managing benefit plan costs
- Track record of success in effectively managing even the most complex health plans
- Experienced team of experts putting our knowledge to work for clients that demand excellence
- “Personal touch” approach to serving members with dignity and respect
- Proprietary technology that allows us to customize our claims system to meet our clients’ evolving needs

Fulfilling Self-Funded Employers’ Administration Needs:

- Medical / Vision / Dental Claims
- COBRA/HIPAA
- FSA/HSA/HRA

And More:

- Integrated Reporting
- Care Management
- Prevention & Wellness
- Onsite Clinics
- PPO Network Optimization

Experienced. Flexible. Innovative.
